

ARFF 11-20-21: Tunnel Fun with Backsides and Entries
Based on Super Sets by Dudley Shumate, Clean Run

EASIER: Can you call your dog through the #4 and #17 tunnels? Which way to turn after #13?

HARDER: This isn't Dudley's course. It was insane. Can you get the tunnel discriminations and the weird weave entry? Can you call your dog through tunnel #13?
