

ARFF 8-10-22 Serpentine with Table

			
			
<p>This is a serpentine exercise. Figure out which side of the serpentine you want to be on when you finish the serpentine, and that will help you decide how to handle it. Pay special attention to the 2nd serp, the #9-#10 piece.</p>			

			
			
<p>Here's another set of serpentine: #2-#4 and #6-#8. Can you lead out from the table to get your dog to the backside of #6?</p>
